PRINCIPAL'S REPORT

We have come to the end of another Term and I want to take this opportunity to wish everyone a good break. If you are driving any distance remember to take a break every 2 hours. We want everyone back fit and well. **La Salle will commence lessons for Term 3 on Monday, 19th July.**

I want to welcome Mrs. Anne Burke to the staff. She will be our Student Welfare Advisor and will be available on Monday's and Tuesday's each week. She comes extremely well credentialed and has already proven herself to be a valuable addition to our community.

On Friday, 25th June we celebrated our end of Term Mass which was followed by our Awards presentation. It is a great way to conclude the Term and it gave the whole community a chance to reflect on the past 20 weeks. There have been many highlights and we thank the Lord for all of our blessings. It was a bit early due to Fr. Greg going on holidays to Canada this week. I'm sure you join with me in wishing Greg all the best as his work at La Salle is very much appreciated. On a sad note, as of January 2011 Greg has been transferred to Coonabarabran. Our loss is certainly the parishioners of Coonabarabran's gain. I'll have more to say on this as the year concludes.

Mr. Taylor organised a Survivor Life Skills Seminar which was run by The Business Concierge on the 22nd June and the Director, Howard Smith, summarised the La Salle community to a tee. He wrote:

Dear John,

I just wanted to thank you for allowing me to come to your school on the 22nd June 2010 to present the Survivor Life Skills Seminar to your Year 10 and 12 students.

You should be very proud of your students as they were openly involved in the program and certainly appeared to be committed to take away something that will assist them in their future. I'm sure you would understand that I visit many Public and Private schools through the course of my work, with this in mind you should be aware that the time spent at your school would rank easily with the most professional and welcoming schools that I have had the pleasure to visit.

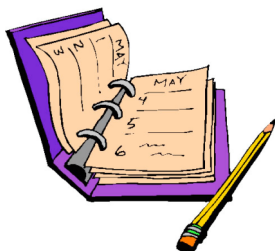

I would like to thank Tony Taylor for organising the day and supporting the presentation. This is our 4th year at your School and his enthusiasm for the program certainly sets the scene for the students to approach it in the correct manner.

John, I look forward to returning to your school next year to present the Survivor Life Skills Seminar.

Kind regards

Howard Smith, Director, The Business Concierge

Well done to the Year 10 and Year 12 students for the manner in which they conducted themselves. You certainly showed what a class act you are. Thanks also to Mr. Taylor for his organisation. It always makes me proud to lead such a community.

The Year 10 Drama students delivered a sensational performance on Tuesday night. They demonstrated that a tremendous amount of effort was put in and Ms. Barclay should be proud of her protégés. The learning of the lines was difficult but everyone handled themselves very well. Ms. Barclay will have a full report in our first Delagram next Term. Two Art excursions were held in recent weeks. Congratulations to the students on their conduct, very positive reports came back to me. Well done to all. Reports of these events will also be in our first Delagram next Term.

The holidays are usually a time for relaxing and forgetting about the stresses of the Term. For most this is the case however, not for Mrs. Auld as she will be taking a group of our Agriculture students to New Zealand from Sunday, 4th July until their return on Sunday, 11th of July. It never ceases to amaze me as to the generosity of our teachers and parents. You have given the students your most valuable commodity – your time.

Winter is upon us and I want to thank everyone for coming to the Years 7 to 9 Parent/Teacher night on Wednesday, 30th June. Weather wise it was extremely cold. These are very important nights as it gives everyone a chance to discuss the student's progress. Whilst this is a positive outcome I want to reiterate that, as a parent, if you have any concerns please do not hesitate to contact the school and make an appointment to meet with any of the teachers. If we are alerted to problems in their infancy, the solution is more easily found.

Our Semester 1 awards have been presented to students in Years 7, 8 and 9 and I congratulate all the students who have raised the bar. This is a good starting point for them to commence Semester 2 in a positive manner. The number of students to receive a mark of 85 or better in a subject was impressive. The next goal is to make it more than 1 next time around. The recipients of the awards in Years 7 to 9 are as follows:

Library News – World Cup Soccer

On behalf of Mrs. Hicks the World Cup Soccer draw was drawn on Monday at morning assembly 28th June 2010. Congratulations to the following winners. World Cup Draw – Mr. Gibson won the hat and Bryce Chapman of Year 9 won the Socceroos scarf. Every time a Year 7 student came to the library to work on their booklet, their name went into the Year 7 World Cup draw. Congratulations to Norman Thein who won the Socceroos jacket. Kaitlin MacLaughlin and Sam Young who both won a soccer ball. Thank you to all those who entered the competition. Money raised purchased the prizes. Congratulations to all Year 7's who participated and worked hard on their booklets.
